

PUBLIC WORKS BOARD ANSWERS CHARGES MADE BY TAXPAYERS' GROUP

Answering charges made by the Arlington Taxpayers' association in last week's NEWS, the Board of Public Works through Loren W. Marsh has issued the following statement in regards to the rental of horses for snow removal.

January 21, 1936
Arlington Taxpayers' Ass'n,
Mr. Russell T. Hamlet,
Exec. Sec'y,
15 Victoria Road,
Arlington, Mass.

Dear Sir:
There appeared in last week's issues of the Arlington News and Arlington Advocate, articles apparently inspired by Arlington Taxpayers' association. These articles were not signed by you, but I am writing you as I understand that you as Executive Secretary have recently issued other public statements in behalf of the association. If you are not responsible for the articles above referred to, the following remarks do not apply to you, and I hope that you will endeavor to deliver this letter to the responsible party.

Inasmuch as the subject matter of these articles is critical of the action of the Board of Public Works, I have obtained permission from the other members of

the Board to answer these articles, in consideration of the fact that I was one of the original incorporators of the Arlington Taxpayers' association and its vice president for nearly three years.

Your recent appeal for membership in the association carries at bottom of the sheet a statement of the objects of the association, a part of which only will be referred to in this letter. This refers to cooperation with local agencies to affect economies in their operation.

I wish to submit for consideration of the Taxpayers' association and for the general public, through the same agencies selected by them for their publicity, the following facts.

We are at a loss to know where or how the information regarding your articles on "Horse Sense" came to you. No member of the Board of Public Works, its

Concert Feb. 4 By Community Symphony Group

Music lovers will be afforded an opportunity to hear some of the finest works of Brahms and Wagner on the evening of Tuesday, February 4 when the Arlington Community Symphony Orchestra under the baton of Leonard Wood will present its second concert of the season.

Brahms' Symphony No. 1 in C Minor will be rendered. Then comes the popular overture from Tannhauser by Wagner. The soloist of the evening, Mildred Brookings, soprano will appear in two excerpts from the opera Tannhauser, and the Prelude to the third act of Lohengrin will complete the program.

Icy Street Causes Truck To Crash Into Hydrant; Driver Unhurt

Skidding over the icy steep grade of Kensington park last Saturday evening, a heavy tank truck, operated by George Rung, of 59 Elm st., Somerville, got out of control, shot onto Pleasant st. and crashed into a hydrant. A flood of water followed.

Before coming to a complete stop the truck crashed into a traffic sign and damaged the sidewalk. The driver was not injured except for a severe shaking up.

Drama Friends' Art Exhibit Held Over

In spite of the postponement of the business meeting of the Friends of the Drama on account of the raging blizzard Sunday afternoon, thirty members of the club visited the clubhouse and were well rewarded for their efforts by the art exhibition arranged under the direction of Miss Anne Kennedy. The display of work by members of the club in the fields of art other than the dramatic was varied and of high quality. For the benefit of the members who could not attend on Sunday the exhibition is being held over for Friday and Saturday evenings on the occasion of the monthly production, which consists of a series of one-act plays. The business meeting is to be held on Friday at the close of the performance.

The plays to be produced are "Monkey Do," by Parker Wood, and "This Mortal Coil," by Russell T. Sharpe, which are being presented for the first time, and "They're None of Them Perfect," by Sophie Kerr. Mrs. Marjorie Temple Phleger, Mrs. Emma S. Bradley and Norman Watt are directing. Mrs. Roscoe Perry and Mrs. John O. Mathews, former presidents of the club, and Wallace M. Powers, former vice-president, are among those who are taking part in the production, it being the first appearance of any of them for some years. The casts also include many of the newer members who will be seen for the first time before a Friends of the Drama audience.

Mr. and Mrs. Lawrence Post of West Hartford, Conn. are receiving congratulations on the birth of a son Jan. 3, at St. Francis Hospital. Mrs. Post was Miss Eleanor Crowley of this town.

KIWANIS ENJOYS MUSICAL TREAT BY JUNIOR HIGH WEST BAND, ORCHESTRA

One of the finest programs ever enjoyed by the Arlington Kiwanis club was presented by the pupils of Junior High West at the school yesterday noon. The club affair was arranged through the efforts of Franklin P. Hawkes, past president of the club. Dr. Clarence Dempsey was guest of honor. Teachers of the school were also among those attending.

During the dinner, which was served by Wyman's, the school orchestra under the direction of Miss Mildred Emerson presented several unusually well rendered selections. Following the business meeting, the school band under the direction of Augustine Massocca made its appearance and received enthusiastic applause from the Kiwanians. Its drum major was particularly clever and won high praise.

Then came a program of novelty numbers which were far above the average presented by

school pupils. Lucille and Louis Kraft appeared in a piano duet, "Stand By the Flag." Harmonica solos by Charles Davis proved popular. Helen Geddes gave a clever recitation after which Mary Dodge and Merv Wylie appeared in a duet tap dance which was marked by excellent acrobatic and tumbling feats. A brass sextette from the band gave a remarkable performance. Next was Dorothy Amfantis in song and dance, "Lull's Back in Town" which was very well done. "Excellent" was the consensus of opinion on the trumpet duet by Patricia Pembroke and Ralph Thomas.

Marjorie appeared in a well executed series of acrobatic stunts. Before the closing selection by the school band, Rita Caterino recited "Little Orphan Annie" by Riley. This performance was attractively staged in an old-fashioned dress and bonnet and recited excellently.

REP. GOTT PROBABLE CANDIDATE FOR OFFICE

It is stated on reliable authority that Wilson Clark, Chairman of Nominations of the Citizens Committee, has approached Rep. Hollis Gott relative to his becoming a candidate for Selectman in the Town of Arlington in this coming election.

It is understood also that the nominating committee has endorsed Mr. Gott's candidacy and the Board of Directors of the Citizens Committee recommended that Mr. Gott be asked to run for this office. The general Citizens Committee meets tonight at which time Mr. Gott's name will be presented for consideration.

It has been rumored for some time that Mr. Gott would be considered as a candidate for the office of selectman in the coming election so that this announcement was expected by many Arlington people who have followed the political situation recently.

We are informed from several sources that while Mr. Gott has made no particular effort to project himself into the political situation this year, he is willing to become a candidate provided there is sufficient demand that he take this step.

Mr. Gott is well known to Arlington people as a representative of this district and has been actively engaged in Town affairs for many years, having served as member of the Board of Selectmen and in various other capacities connected with Town affairs. He is well known in Arlington, has a large following, independent in his thinking and has performed much valuable service for the Town. Because of his stand in relation to Town affairs in the past, the record of his achievements and with the endorsement of the Citizens Committee, he should become a formidable candidate for this important Town office.

PROPOSES VAST OUTLAY TO HELP TURNPIKE TRAFFIC

(Special to the NEWS)
STATE HOUSE, Boston.—The legislative committee on Metropolitan Affairs this week listened to plans for elimination of traffic congestion in Cambridge, caused by fast moving vehicles coming to a small pace when leaving the superhighway at the Arlington-Cambridge line to enter the city proper.

Construction of a bridge, changes in the Soldiers Field Parkway to eliminate a bad curve a traffic circle on the Boston side of bridge and a connection from the bridge to Fresh Pond Parkway near Mt. Auburn st., Cambridge are proposed by the division of Metropolitan Planning the improvements to cost about

\$400,000.
Explaining the proposed remedy for traffic problems caused by the fast moving traffic along the Concord pike, the division of Metropolitan Planning declared, "The bridge will connect the Fresh Pond Parkway and its extension the Alewife Brook Parkway with the Soldiers Field Parkway on the Boston side of the Charles River. The state has already completed its new main northwestern highway known as Highway number 2 from West Concord to the Alewife Brook Parkway. This highway will soon be extended to a direct connection with the Mohawk Trail and will become one of the most used routes in the Commonwealth. It is therefore imperative that the traffic coming in over the new highway have an opportunity to reach the downtown section of Boston over the most available routes. One of these routes requires the construction of the Gerry's Landing bridge to enable the heavy traffic now and hereafter using the Alewife Brook Parkway to Route 2 to reach the Boston side of the Charles River.

The Ladies Aid of Calvary M. E. Church met at the church on Wednesday evening for the regular monthly meeting.

Randall Is New Edison Manager

Frank E. Randall, veteran Edison employee, who has been associated with the local Edison office since 1933, has been appointed Edison Manager in the Arlington district. The new position designates to him the responsibility for all phases of the Edison Company's business in Arlington. Creation of the position is in line with a company policy to decentralize through the development of its community organization throughout the service area supplied by the electric utility.

FRANK E. RANDALL

Renovations just completed at the Edison Shop, 609 Mass. Ave., include separate office facilities for the new manager. Other changes include new interior fittings and lighting arrangements to provide generally improved facilities for the display and sale of modern electrical appliances.

Mr. Randall is a native of Chelsea, Mass., where he attended the local schools. He entered the employ of the Edison Company in 1909, and after a year with the installations department, was transferred to field sales work. In this capacity he was located in the Arlington district during the World War period. In 1916 he was appointed district manager in the Winchester, Woburn, Stoneham territory.

Andrew A. Magnus Incorporates Firm

(Special to the NEWS)
STATE HOUSE, Boston.—Andrew A. Magnus of Arlington is one of the incorporators of the H. E. Ackerman footwear company of Boston, this week granted a charter of incorporation by Secretary of State Frederic W. Cook.

Incorporators are Herman E. Ackerman, Auburndale and Henry L. Ryan of Belmont, in addition to the local man.

FINAL PLANS FOR BIRTHDAY BALL TO BE MADE TUESDAY

General Chairman Calls For Final Meeting—Ball To Take Place Next Thursday Evening At Town Hall—Entertainment Being Planned—Prominent Residents On General Committee

Final plans for the President's Birthday Ball for the President will be made at a meeting of the many workers and committee chairman in the hearing room of the Robbins town hall next Tuesday evening. The Ball will be held at the town hall next Thursday.

From the general chairman, P. Joseph McManus, down to the last man and woman on the general committee, everyone has worked hard to make the affair a success. It will be the first of its kind in Arlington and the community will benefit by seventy per cent of the proceeds, all of which will be used to help fight infantile paralysis.

Entertainment Planned
In addition to music by Duke Charles and his orchestra of eleven pieces, an entertainment program has been planned. The entertainment committee has secured the services of Vincent Badala, banjoist; George McFarlane, radio singer; Eddie Shine, New England's Fred Astaire; Mrs. McSweeney, soprano soloist; Donald Hooten, novelty artist; and Joe Barry and Harry Jenkins in a skit, "Harmony As You Like It." All of these artists are scheduled to appear during the evening. In addition, Duke

Charles will present several of his own musicians in solo work. All in all, a fine evening of entertainment for young and old is promised, and at the same time those attending will help a most worthwhile cause.

The second meeting of the President's Ball Committee was held in

(Continued on page four)

Engagement of Miss Persis Dolloff Made Known: Wed In Spring

Miss Persis Dolloff gave a tea last Sunday afternoon in honor of her grandmother, Mrs. A. Persis Worthley, at the home of Mr. and Mrs. J. P. McCann, where she resides. Mrs. Worthley was 104 years old last September.

At the tea, the engagement of Miss Dolloff to Orrin C. Judd, of Brookline, was announced. Mrs. Fred Russell of Somerville and Mrs. Richard L. Suter of Lexington, poured. Miss Geneva Starrett and Miss Myrtle Johnson, of Cambridge; Miss Louise Hockaday, of West Medford; Miss Ruth Dresser and Miss Auris Austin, of Winchester, and Miss Barbara Dolloff, of West Roxbury, served. Miss Dorothy White and Miss Marjorie McCann assisted in receiving the guests, and Miss Barbara Suter also assisted.

Miss Dolloff is a teacher in the Junior High School Center in Arlington. She is the daughter of the late Mr. and Mrs. L. M. Dolloff. She attended Tufts College, receiving a B. S. degree in 1927 and a Master of Arts degree last year. She is active in the Friends of the Drama and the Tufts Graduate Dramatic Club and Teachers Association.

Mr. Judd, the only son of Mr. and Mrs. Orrin R. Judd, of Brookline, N. Y., was graduated from Peddie Institute in Hightstown, N. J. He received his A. B. degree from Colgate University in 1926. In 1930 he received his L. L. B. with high honors from the Harvard Law School. He is now a member of the law firm of Davies, Auerbach and Cornell in New York.

ATTEND THE BALL

The Birthday Ball for the President at the Robbins Memorial Town Hall next Thursday evening is a modern method of raising funds to combat a disease of which the only thing new about it is its name (infantile paralysis), and the fact that in recent years it has reached pandemic proportions. Dr. Victor Clarence Vaughan, the noted medical historian has reported "definite evidence of infantile paralysis in Egyptian mummies".

It was in 1916 that the first big modern epidemic struck the United States; reached every State in the Union and struck down 25,000 persons, the majority of them children. Last year the toll was great in Massachusetts, but it was the first year when there were widespread epidemics in Southern States.

Three years ago President Franklin D. Roosevelt, himself a victim, loaned his birthday for balls throughout the country to raise money for the Georgia Warm Springs Foundation, and \$1,000,000 was raised for research and treatment. A year ago \$1,071,000 was raised. Thirty per cent was distributed nationally, and the remaining 70 per cent in communities where balls were held; the funds to be used for after-treatment of victims.

You can do your share by attending the Ball next Thursday evening.

OUR SYMPHONY ORCHESTRA

Music lovers of Arlington will be afforded the opportunity of hearing Brahms' First Symphony as well as excerpts from Wagner's "Tannhauser" and "Lohengrin" when the Community Symphony Orchestra gives the second concert of its third season in Robbins Memorial Town Hall, on the evening of February 4.

Many hundreds if not thousands of people have first hand knowledge of the music offered by this organization, almost fifteen hundred people attending the recent performance of Handel's "Messiah", alone. Few, however, are aware of the aims of the orchestra, and its civic importance to the Town.

In addition to providing entertainment to its audiences at a nominal charge, it provides a musical education to its listeners through the medium of well chosen programs combined with notes explaining the music played. Young people who have completed high school are afforded an opportunity to continue their playing of orchestral works and their study of great music.

Profits remaining at the end of the year are given to deserving students in the form of scholarships for musical instruction. It is the aim of the orchestra to provide musical instruments to needy students of the Town as well.

Larger audiences are necessary at the concerts to insure the continuance of these worthy aims, which benefit not only individuals in the Town but redound to the credit of the community throughout the Metropolitan Boston area. Support the Community Symphony Orchestra!

Daly Votes To Protect Rights of Children In Auto Accident Case

STATE HOUSE, Boston.—On the first roll call of the current session, Senator Charles T. Daly voted for abolition of the defense of imputed negligence in cases involving minors under four years of age, in auto cases.

Noticeable in the vote; divided strictly along party lines as Republicans defeated the measure with a 14-14 deadlock, was the expression of the newly elected Republican Senator from Essex, William H. McSweeney who aligned himself with Democratic proponents.

Senator Francis J. McKeown of Springfield fighting for his bill, asserted the courts have held a four year old child is incapable of using any degree of discretion and intelligence on the street and therefore parents are unable to recover damages if a child is injured or killed.

TWO FIRES SATURDAY

Firemen responded to two alarms for slight fires last Saturday. Shortly before nine in the morning, Box 842 was sounded for a fire in a closet at the home of George Bateman, 1 Perth rd. At four in the afternoon an alarm was sounded from Box 265 for a fire in the house occupied by Mrs. Marks at 72 Thorndike st.

THE NEWS OBSERVES

The case of three discharged public works foremen seeking re-instatement under Civil Service rules is being continued in East Cambridge district court today. Atty. Philip Gallagher is representing the foremen while Atty. Albert W. Wunderly is defending the town in the case.

With the regular public works department crew increased by 150, and 300 additional WPA workers, Arlington streets were quickly cleared of snow following last Sunday's blizzard. In addition fifteen trucks, four tractors and two snow loaders required additional men. The streets in town, as a result, were in far better condition than in several other surrounding cities.

One hundred and twenty-five WPA men laid off on the Concord turnpike grading and beautification project last Wednesday will be given work on local projects next Monday. Administrator Neil S. Peters told the NEWS yesterday. The turnpike project was under State supervision although some of the labor provided was from Arlington.

Incidentally, after waiting many days for long overdue pay checks, 82 WPA workers on the Heights reservoir project were to receive their checks yesterday afternoon. The delay was in no way due to the local administrator's office, the NEWS was told yesterday.

Nine articles are to be taken under consideration at the special town meeting in Robbins town hall next Wednesday evening. Warrants for the town meeting were distributed to every home in Arlington this week.

The St. James' Club beano party next Wednesday evening should attract a record-breaking crowd. A new plan will be used for the first time, as advertised in today's NEWS. Mrs. Belle Hagen of 40 Ten Hills st., Somerville and Mrs. Jeremiah Callahan won the major prizes last Wednesday.

Resulting indirectly from the blizzard of last Sunday, several auto accidents took place within the limits of the town this week. Victims in coasting accidents were Blaine Lappin, 12, of 32 Howard st. and Robert Coleman, 6, of Grafton st. The latter coasted into the path of an auto yesterday afternoon.

Firemen responded to alarms for several small fires this week. Damage was slight in all cases.

We understand that Henry E. Keenan, candidate last year for the Public Works Board, is about ready to toss his hat into the ring again this year. For what office, we don't know.

If James G. Reardon is qualified to hold his position as the new Commissioner of Education for Massachusetts he certainly is guilty of questionable judgment when he discharged two executives in his department without any apparent good reason.

Low telephone rates for long distance calls may now be had from 7 o'clock Saturday evening until 4:30 Monday morning.

Service stations did a big business in chains as a result of last Sunday's blizzard.

It is not true as many have been led to believe that when the NRA was declared unconstitutional all child-labor laws were abolished. As a matter of fact

most states have child labor laws and of those that don't most of them are Democratic states of the South.

There has been a steady climb in business activity during 1935. The year's business index registered 42 on January 1st and ended at 72.8 at the end of December, the highest point reached since the end of 1931.

During 1935 over two hundred chain-taxing bills have been introduced in the legislatures of 43 states. The Great Atlantic & Pacific Tea company has served notice that it will not stand idly by while these attacks are being pushed.

We rather enjoyed a brief chat with our neighbor, Mr. Shultz who operates the Arlex Real Estate office in our block recently. We discovered a man with ideas, faith in the future of things and a believer in NEWS advertising.

Woolworth prices have indeed gone up as G. Bert Washburn stated in his column in the NEWS recently. C. W. Mayo moved into the president's office on the 24th floor of the Woolworth Building in New York and is said to be the man behind the guns in establishing an elastic price limit.

If the old tin can is about gone, look out for the junk man now that Chevrolet is offering a million dollars in a cooperative plan with dealers to junk old cars.

Arlington is still talking about the recent Chamber of Commerce Minstrel Show of which L. D. Howe was general chairman in charge. Without any question, it was very well done and must have required plenty of hard work on the part of Lew and all those behind the scenes who helped make the affair a success.

Honest Work Needed To Improve Conditions, Dr. Lindsey Points Out

Speaking at the 44th anniversary celebration of the Masons in Arlington in Masonic Home on Academy st. last Tuesday evening, Rev. Samuel Lindsey, well known Brookline churchman, listed the following as the three outstanding events of the past year:

First, Revelation of Japan's policy to seize all of Northern China.

Second, The invasion of Ethiopia by Italy.

Third, The decision of the United States Supreme Court declaring the NRA unconstitutional.

Dr. Lindsey gave a most inspiring address on significant events of 1935 and called attention to happenings in all parts of the world.

Referring to the many remedies being suggested to improve present conditions such as salesmanship, limitation of production, clear thinking and courageous living, Dr. Lindsey stated that work, real honest work was one of the factors needed most to improve conditions generally.

BIBLE TALKS TO LAYMEN

Rev. John Nicol Mark will give the first of three Bible Talks to laymen in the First Parish on Sunday January 26. His topic will be "How We Got Our Bible" illustrated with slides.

A light supper will be served before the lecture.

Ask Two Million For Link North Shore To Worcester Turnpike

(Special to the NEWS)
STATE HOUSE, Boston, Jan. 24.—Expenditure of \$2,000,000 for completion of a nine mile link in the super-circumferential highway, linking North Shore resorts with south of Boston traffic arteries, was asked of the legislature today by Henry I. Harriman, director of the Division of Metropolitan planning.

The highway, now terminating in Wellesley at the Junction of the Worcester Turnpike would be carried through to route 2 in the town of Lincoln.

The proposed route would swing through outlying towns in Metropolitan Boston, traversing across the Newburyport Turnpike in Lynnfield, to Beverly and thence to Gloucester.

The highway was started some time back. Plans are approved in most instances by local planning boards which have fostered the super-highway.

Trinity Church's Mother and Daughter Banquet Postpone

At a special meeting of the Executive Board of the Ladies' Circle of Trinity Baptist church, it was voted to postpone the Mother and Daughter banquet scheduled for January 28, due to the serious illness of the President, Miss Ethel Kinney.

The regular monthly business meeting will, however, be held on Tuesday evening, Jan. 28. An entertainment will follow.

VIKINGS' DANCE SATURDAY

The Arlington Vikings are sponsoring another bridge, whist and dance on Saturday evening, Jan. 25th, in Odd Fellows Hall, Arlington Centre. Hiding Pearson's orchestra will again furnish the music for the dancing. Those who attended their last party held on January 11th, know that a very enjoyable evening is in store for them Saturday.

Sunday Savings

on

Telephone calls

All day Sunday you can make out-of-town telephone calls at week-day night rates.

Take advantage, this Sunday, and make — at the new bargain rates — that telephone call to:

— the mother who hasn't heard from you lately
— a son or daughter away from home
— a friend who is ill
— someone who has a birthday or anniversary soon.

THREE MINUTES of family news, of encouragement, of cheer, of congratulation, will be an ideal Sunday afternoon interlude, and will undoubtedly mean as much to you as to the person you call.

Ever since last June, when telephone night rates went into effect at 7 o'clock instead of at the old hour of 8:30, we have been saying "Save after seven."

Now we say, in addition: "Save on Sunday" because, beginning January 19th, regular telephone night rates apply all day Sunday. This means that from 7 o'clock Saturday evening until 4:30 Monday morning, you can make most out-of-town telephone calls at bargain rates.

Now we say, in addition: "Save on Sunday" because, beginning January 19th, regular telephone night rates apply all day Sunday. This means that from 7 o'clock Saturday evening until 4:30 Monday morning, you can make most out-of-town telephone calls at bargain rates.

SACHEM COUNCIL ELECTS OFFICERS AT ANNUAL MEETING HELD IN BELMONT

In spite of the storm, 125 Scouts of Sachem Council and their wives battled their several ways to the Arlington County Club Saturday afternoon to attend the Annual Meeting of the Council, and the battle to get there was nothing compared to the battle to get home. The snow turned to rain, then sleet with the result that cars started impatiently and windshield wipers were heavily coated with ice.

At this year's meeting, for the first time in the history of the Council, wives of Scouts were present, and to say that they enjoyed the experience is putting it mildly. Under the Women's Committee, headed by Mrs. Wm. Hart Nichols, the ladies listened to a delightful speaker, Dr. Helen I. D. McGillicuddy. In the afternoon while the men were holding their business meeting, they attended several group discussions and then enjoyed the fine dinner and exercises with their husbands.

Officers Elected
At the regular business meeting, President Franklin P. Hawkes, presiding, the following officers were elected:

President, Dr. Franklin Powers Hawkes; Vice-Presidents, George Bigelow Cheever Rugg, George Mason Dimond, Treasurer, Harold Edmund Hildgton, Scout Commissioner, Franklin Goodhue Woodworth; Executive Board, William H. Eckert, Rev. Leo J. McCann, Thomas L. Sanborn, Homer Sewall, Benjamin Wolk, A. Randall Soderberg, Wm. Hart Nichols, Burleigh L. Pratt.

Then came consideration of reports of committees and officers, objectives for 1936 and the report of the Committee on Program and Resolutions. After this meeting, the regular monthly meeting of the Executive Board was held with Dr. Franklin P. Hawkes in the chair.

Chairmen Appointed

The following Chairmen of Committees were approved:
Troop Program Committee, Tracy W. Ames; Cub Program Committee, Roger C. Fenn; Personnel Committee, Kelsey G. Reed; Public Relations Committee, Russell P. Wise; Advisory Committee, Dr. Walter T. Garfield.

Field and District commissioners elected:

Field—George W. Greenlaw, for the promotion of Camping; John O. Matthews, Community Commissioner for Arlington; Raymond S. Morrill, for Cub Leadership Training; Ralph P. Perry, Community Commissioner for Watertown; Harold L. Prid, Community Commissioner for Waltham.

District—Ar. Ctr., Richard W. Howe, King Rugg, Asst.; Arlington Heights, Arthur A. Dodge; Belmont, George K. Saurwein; Concord-Lincoln, Otis M. Whitney; East Arlington, Alfred G. Woodward; Prospect Hill, Wm. E. Hays; Lexington-Bedford, Kelsey G. Reed; Robert H. Sands, Asst.; South, Wm. A. Graham; Watertown Center, Ralph F. Terry; West Watertown, Erald L. Sawyer.

Then came the discussion groups under the following leaders:

Troop Committee Chairman, Harold L. Prid; Senior Scouting, Everett C. Preston; Enriching the Troop Program, A. Randall Soderberg; Securing Support of Parents, George B. C. Rugg; Troop Councils of Honor, Hollis B. MacDougal; Health and Safety, Dr. Walter T. Garfield; Good Business Management, Russell P. Wise; Cubbing, Roger C. Fenn; Troop Publicity, Dr. F. P. Hawkes; Outdoor Program, Tracy W. Ames.

At 6.30 p.m. the banquet was served. The invocation was given by Rev. Cuthbert Fowler. Dinner songs were conducted in a delightfully lively way by Franklin G. Woodward of Waltham with Clarence Peterson of Lexington, a natural comedian, at the piano. This was followed by the induction of the new Scout Commissioner, Franklin G. Woodward by Scouts of Waltham and Waverley in an impressive ceremony.

Resolutions on Senior Scouting and on the resignation of Dr. L. L. Dudley, former head of the Personnel Committee, who has left this district to take up educational work in the western part of the State, were adopted.

Certificates Presented

Kelsey G. Reed, Chairman of the Personnel Committee, then presented certificates to the following men:

Advanced—Wm. T. Anderson, Jr., George K. Saurwein, George W. Greenlaw, Ronald S. MacKenzie, Lee D. Fuller.

Senior Scouting—Philip W. Allen, Guy E. Jones, Arthur A. Dodge.

Minimum—John Graham, H. Raymond Durling, Murray L. Hendsbee, Arthur F. Vincent, Clifford K. Noyes, Warren E. Russell, Arthur Christian, Donald P. Prescott, J. Harold Hill.

Specialization—Troop Camping, David J. Jollota, Roger Henry, William A. Graham, William Hart Nichols, Edward M. Bickford, Herbert B. Kellor, Malcolm Bunker, Gordon Dow, Harry T. Barnes.

No sooner was this over, than an unexpected interruption of the meeting took place. In the far corner of the room there rose a dignified and stately gentleman who demanded to know what it was all about. He declared that he had come to this meeting to learn something about Scouting and what he had found was a jolly group of Scouts and their wives enjoying a lovely dinner. He demanded of Mr. Hawkes that he be allowed to ask certain questions which he did in a most emphatic manner. These questions were answered in turn by President Hawkes and several Chairmen of Council Committees. In the end, it turned out that this interruption was carefully planned to dramatize the work of the committee.

Following this interruption, the Silver Beaver, emblematic of distinguished service to boyhood was presented to Dr. Walter T. Garfield by Vice-President Rugg. This honor, awarded by the National Council of the Boy Scouts of America.

In the course of the evening, President Hawkes brought out several interesting facts. He declared that although 36 percent of the boys of any one age group have joined the Scouts in the past, 60 percent have shown that they want to join and 74 percent of the nine-year-old boys in the district want to be Cubs.

The principal speaker of the evening was the Hon. Arthur T. Lyman, State Commissioner of Correction. He spoke of the youthfulness of boys starting in on a criminal career. He said that recently he had a red head of the boys of the different prisons in Massachusetts to give him a list of the Scouts who were in their institutions. At present, he has received no names. He declared that we need more Scouts and a better understanding of Scouting. He also spoke of the good effect Scouts had on their companions and friends.

The last feature of the program was the Golden Arch of Scouting which was put on by Troop 4 of the Belmont Methodist Episcopal church under the leadership of Harold B. Dalton.

The Committee in charge of the meeting and banquet was composed of Dr. Walter T. Garfield, Chairman, William Hart Nichols of Waltham and Burleigh L. Pratt of Concord.

Middlesex Turnpike Associates Meet

Undaunted by roads still piled high with snow, a good crowd of around 75 people attended the Billerica regional meeting of the Middlesex Turnpike Association Monday night. Frederick G. Brown, one of the Billerica directors of the association, presided at the meeting.

George T. Walsh, secretary-treasurer, outlined the general plans for promoting the four-lane cement superhighway from the Boston area to Lowell and beyond; told of the great need for such a highway and how the association plans to focus attention and enthusiasm in an effort to secure immediate construction. A general discussion, participated in by all three Billerica selectmen endorsing the project, followed, with the crowd voting unanimously to support the road.

Well we have got our snow and it came close to being on the date of last year's big snow fall. It means lots of work for our Board of Public Works, our hired horses and men. The youngsters are enjoying it. By the way, just where can they coast without the police chasing them away.

P.S. The case of the three foremen dropped from the payroll of the Board of Public Works has been in court. Let us hope that all the facts may be presented in a cordial and pleasant way so that it may be judged on its merits.

P.S.S. We have read in the papers about the proposed "Youth Movement." I had supposed that it was to be something in the nature of training of young people in the line of technical, industrial or other trade subjects or physical training. Wrong again, at least in part. Mr. Peters, employment director is to take on 50 young people from certain families, ages sixteen to twenty-four, and employ them at various white collar jobs such as going over old Town records etc. To be sure some will be sent out with the gypsy moth crew to learn trees and bugs and some may be made skating instructors or guards on the ice etc. They are to work, I believe, 40 hours a month.

P.S.S.S. Mr. Lowe has now come out for reelection for the office of Selectman. Mr. Lowe has served one term on the Board and at the time he ran for office he defeated the Citizen's Committee candidate Mr. Fellows. With his election the balance of power on the Board shifted. Now we arrive at a peculiar situation for among Mr. Lowe's strongest supporters are the two other members of the Board, Mr. Davis and Mr. Estabrook. Just what will the Citizen's Committee do about this? Will they dare to put in any unknown candidate against this popular gentleman? The Citizen's Committee say they are non-partisan will Mr. Lowe's good record of the past year make any difference? Also the matter is complicated by the well known fact that former Selectman Gott may also seek the job. Tonight the above Committee meets to make its endorsements.

"Not Over Fifty"

Striking at high speed as a major menace of the highways, a new club has been organized to make the average motorist "speedometer conscious" and thereby cut down the appalling accident record of the country.

Abandoning the ordinary safety campaign idea which too often has but a temporary effect, this accident prevention plan is designed to act as a safety factor every day in the year. Henry G. Wilton, local representative of the "Not Over Fifty" Club announced today:

Any driver may belong to the "Not Over Fifty" Club which is sponsored by the Lumbermens Mutual Casualty Company of Chicago, the only requirements being the member's agreement to past a small red arrow bearing the words "Not Over Fifty" on the speedometer and the willingness to observe ten common sense rules of safe driving. Members also agree to drive by the rule—not over fifty on the open highways, slower on city streets.

"Safe driving campaigns and safe driving slogans have proven their value in helping to reduce accidents," Mr. Wilton added. "Unfortunately, however, too often such campaigns are of only temporary benefit. Some method must be adopted to drill speedometer consciousness into the average driver every minute he is in the car.

"We believe the new club will be a step in that direction," Mr. Wilton added. "It places a red arrow on the speedometer where it constantly reminds the driver to watch his pace. Studies have proven the effectiveness of red warning signals on the mind and our experiments lead us to believe that the red arrow tends definitely to check the speed at which motorists will drive.

"If this plan will build up a group of drivers who will boast that they will not go over fifty, instead of bragging about the high speed at which they drive, we shall have taken a real forward step in reducing the terrific toll on our streets and highways," Mr. Wilton concluded.

Southern Middlesex Health Association Elects New Officers

The Southern Middlesex Health Association, Inc., held its annual meeting last Tuesday evening, at the Robbins Library Hall, Wilson G. Smilie, M. D., professor of Public Health Administration, School of Public Health, Harvard University, spoke on, "The Common Cold."

The following named officers were elected:
Dr. Carl C. MacCorison, President; North Reading State Sanatorium; first vice president, Miss Josephine B. Colt, Boston; second vice president, Dr. Wallace J. Nichols, Medford; secretary, Mrs. Claude E. Patch, Stoneham;

treasurer, Edward P. Furber, Watertown; assistant treasurer, J. O. Matthews, Arlington; chairman of finance committee, Allister F. MacDougall, Carlisle; chairman of camp committee, Dr. Charles W. McPherson, Medford; chairman of seal sale committee, Mrs. Elsie Fowler, Read, Ing. Mrs. Howard Bradford was elected director from Arlington.

NEW SUB-STATION

A new sub-postoffice is being opened at O'Connor's Drug Store, 301 Broadway, corner Alton st. The new station, which will be most conveniently located for business men and residents in the lower centre "business" section, will prove most welcome.

Townsendites To Attend Woburn's Mass Meeting, Jan. 2

Invitation is extended to all members and friends of Arlington Townsend Club, to attend a mass meeting sponsored by Woburn Townsend Club, on Jan. 31, at 8 p.m. in Times Hall, Montvale ave., Woburn. Hon. Leslie K. Morse, ex-Mayor of Haverhill and George W. Smith of Everett, will be the speakers.

Dr. Townsend speaks from New York over W. J. Z. on Jan. 16, at 9.30 p.m. Every Saturday evening at 7.30 o'clock there is a talk on the Townsend Movement over WMEX.

Regular meetings of the 5th Congressional District Board, comprised of one member from

each club throughout the district, are held in various cities and towns. Joint meetings are now arranged for the officers of all the clubs in the district and the Congressional Board to meet once a month.

Plans are being formulated for the regular Arlington Townsend Club meeting, which is always held on the first Tuesday evening of each month, at 8 o'clock. The club is nearing 500 membership on its first anniversary, with many new members added each meeting. Many subscriptions for the Townsend Weekly have been sent in recently. Any others who wish to subscribe, call AT 1 6591-J and your order will receive immediate attention.

School Costs

(Continued from page 1)

1931, 1932, 1933 and 1934. The only possible purpose of such a block diagram is to visualize relative expenses by relative sizes, because it is easier to compare sizes than it is to compare numbers. The blocks in the graph are of equal width but decrease in length by successive years and we find that the expenditure of \$663,077 for 1934 is shown by a block only one-third as long as the block showing the expenditures of \$717,634 for 1931. Thus a 7 and one-half percent reduction over four years is made to look like a 66 percent reduction, and by that misleading diagram the School Committee becomes responsible for publishing deceptive information.

"Any report showing only Arlington figures has little value. It is only by comparisons of Arlington with other towns and cities that we can tell how well or how poorly we are doing in Arlington. Such a comparison is the purpose of this report."

"As the author of three previous reports on the expense rating of the Arlington Schools as shown by the official record, I continue the series for the information of our citizens and taxpayers, particularly those who are Town Meeting Members. This year, I have additionally been requested to make such a report by the Executive Secretary of the Tax Payers' Association."

"It is well worth noting that

the three previous reports on this subject, although published in full in both local papers, have so far encountered no serious denial as to facts and conclusions."

The State Report
"The annual report of the Massachusetts Department of Education titled 'Public Document No. 2' and issued in December 1935, contains the tabulations of the school returns of all communities in the State for the year ending June 30, 1935. This is the source of my information. It is official."

"In making the comparisons shown in this report, I have used as a basis of control, the figures given in the State report for all towns and cities answering the following description as to population, valuation and school membership. There are nineteen such towns and cities including Arlington."

1. Population (1930): 35,000 to 8,000. Average population excluding Arlington, about 49,500. Arlington shows a population of 36,094.

2. Valuation: \$35,000,000 to \$135,000,000. Average valuation excluding Arlington, about \$64,000,000. Arlington shows a valuation of \$60,947,000.

3. School Membership: 4,000 to 15,000. Average membership, excluding Arlington 8,168. Arlington's membership is 6,780. "The towns and cities in the control group, listed in order of their population are: Lawrence, Quincy, Brockton, Medford, Malden, Holyoke, Pittsfield, Haverhill, Everett, Chelsea, Chicopee, Salem, Fitchburg, Waltham, Revere, Beverly and Watertown. Arlington figures are not included in

the total of the group in any instance.

"Please note that this is not a hand picked list. I have taken all communities that could qualify within the limits set forth and the list is identical with that used in the three previous reports."

"The State Report lists all its information under column headings. To them I will refer."

Teacher Load

"Columns No 6 and No 12. These show the so-called teacher load, obtained by dividing the number of pupils by the number of teachers. Column No 6 shows total number of full time teachers, including supervisors, principals and teachers. Column No 12 shows average membership in schools."

"Analysis of the figures shows that Arlington has fewer pupils per teacher than any town in the control group except Fitchburg."

"Arlington has 25.4 pupils per teacher. The control group has an average of 28.1 pupils per teacher."

"Conclusion: Arlington has 10.3 percent more teachers than is justified by the experience of the control group. Arlington is listed as having 367 full time teachers. If adjusted to the average of the control group, the number would be 242. This excess of 25 teachers costs the Town about \$45,000 yearly."

Salaries

"Column No 17. This column shows Salaries of Supervisors, Principals and Teachers. Analysis of the figures shows that Arlington pays more per pupil for salaries than any town in the control group except Beverly. Arlington pays at the rate of \$72.40 per pupil per year. The group average is \$61.40."

"Conclusion: Arlington pays 17 percent more per pupil for salaries than is justified by the experience of the control group."

"The average salary in the control group, which I have obtained by dividing column No 17 of the report by column No 6, is about \$1725 per annum. In Arlington the annual salary is about \$1830 per annum. From this, and from the remarks under the heading of Teacher Load, we find that Arlington employs more teachers per scholar than the average of the control group, and also pays them a higher wage. The resulting excess cost to the Town is over \$83,000 for the school year ending last June."

"Within the near future, I expect to submit comparisons on other phases of the school department work."

Final Plans

(Continued from page 1)

the hearing room of Robbins Memorial Town Hall last Tuesday evening with a large and enthusiastic attendance.

Chairman John K. Winner of the ticket committee outlined the work his committee had done and explained the method of making collections.

The precinct chairmen of all precincts reported ticket sales booming. Additional members of the ticket committee are as follows: Precinct 5: Mrs. Mary Clifford, Francis Clifford, William and John Doherty and Joseph Crosby. Precinct 14, Dr. A. R. Brooks, Mrs. J. Herbert Mead, Harry Merriam, Mr. Ring, Mrs. C. D. Cutter, Selectman Harold M. Estabrook, Jesse Cunha, Mrs. C. E. Johnson, Lawrence Corcoran, Mrs. J. H. Kernan, Grace D. Curry, Edward Nichols, R. T. Clark.

Chairman Roger W. Homer of the reception and arrangements committee reported on the work of his committee, which included tentative arrangements for decorations, refreshments and novelties.

Chairman Joseph J. Barry of the entertainment committee reported the committee had secured the services of several stage and radio stars, for the concert and entertainment between 8 and 9 o'clock.

ATTENTION! TICKET SELLERS!

All cash returns must be turned over to the Treasurer, Henry E. Keenan, at 691 Mass. Ave., Arlington or to John K. Winner, 10 Jason St., Arlington not later than 8 P. M., Jan. 29, 1936. — No ticket not marked "paid" on the Treasurer's Check List will be accepted at the door — Cash admittance will be accepted at the door.

PLEASE COOPERATE!

Chairman Hollis M. Gott of the publicity committee reported his committee of volunteer speakers had appeared before a number of organizations with gratifying results.

It was voted that Arlington's share of the proceeds of the ball would be known as the Arlington Infantile Paralysis Fund.

Members of General Committee are: General Chairman, Hon. P. Joseph McManus, George Love, Harold M. Estabrook, Ernest W. Davis, Hon. Chas. T. Daly, Hon. Hollis M. Gott, Hon. Nelson B. Crosby, Rev. Joseph Fitzgibbons, Rev. Maurice J. O'Connor, Rev. Matthew J. Flaherty, Rev. Warren N. Bixby, Rev. John Nicol Mark, John E. Mitchell, Ralph Adams, Loren W. Marsh, Chas. A. Hardy, Edward A. Bailey, Archie F. Bullock, Daniel B. Tierney, Arthur J. Mansfield, L. Albert Broder, Harold B. Wood, Dr. F. E. Talty, Dr. Daniel W. Shea, Maurice J. Geary, Dr. Agnes Israelian, John D. O'Leary.

More Clothes Needed At Welfare Council

As the New Year is well started, this is an opportune time for the Welfare Council to express its appreciation for the many hundreds of donations of discarded clothing from Arlington families, the past year.

Through the Council clothing distribution many needy families, especially the children have been provided with reasonable clothing and footwear that otherwise could not be supplied from meagre incomes.

Much in demand at this season, especially right now, are children's overalls, rubbers and warm stockings. Also boys' knickers and sweaters.

Those more fortunate having discarded clothing etc. of this type, should leave it at Council Headquarters in the Old Town Hall, or call Arlington 6206, and it will be collected.

The Comet Club of Calvary M E Church met with Mrs. Agnes Starkey, 26 Lakehill ave, Tuesday evening. Many interesting plans were made for the meetings for the next three months.

Would Have State Tax Commissioner Collect Automobile Excise Tax

(Special to the NEWS)

STATE HOUSE, Boston.—Collection by the state tax commissioner of the \$61,153.96 auto excise levies on 10,097 motor vehicles in the town of Arlington was proposed this week by H. C. Loeffler, secretary of the Boston Municipal Research Bureau.

At present the excise levies are sent out and collected by the local tax collector. The taxes are based on listing supplied by the registry of motor vehicles.

Loeffler also recommended that the state tax commissioner assume the duty of collecting delinquent taxes, which was opposed by Rep. Elmer C. Nelson of Milford, asserting the commissioner's office would be turned into a collection agency for "bad bills."

John Edwards, son of Mr. and Mrs. T. C. Edwards of Hillsdale rd, has been elected to represent the sophomore-freshman class in the Student Council at New Hampton School.

M. W. Pierce Thanks Many Local Patrons

The M W Pierce company, repairers of furniture of every description, desires to thank the people of Arlington and adjoining communities for their liberal patronage in the past year, and before.

The firm has handled about 300 pieces of furniture from local homes and further, the head of the firm, M W Pierce, has widened his acquaintance in a congenial and social manner.

Mr Pierce has a better understanding of the origin, value, use, and particularly the care of these articles in daily use in every home, namely, furniture. It is a pleasure to this firm to be able to save and insure the life of fine antiques.

The work done by the M. W. Pierce company has brought many letters of appreciation, none of which are lost. All such letters

go into the Pierce files as a pleasing remembrance.

Welfare Council Supplies Men To Shovel After Storm

More than a score of men, after the recent severe storm, were given snow shovelling jobs through telephone requests received at the Council office. The first S O S was received Monday morning at 7:30. And anticipating such calls, the office was open to receive them even that early.

In the event of future storms of equal severity, citizens wishing to be "shovelled out," should call the Council office, Arlington 6206, and men more than willing to work, will be supplied promptly.

Lt. Reynolds Gets Federal Recognition

The Chief of the National Guard Bureau, by direction of the Secretary of War, today extended Federal recognition to Walter A. Reynolds as 1st Lieutenant, Battery D, 21st Coast Artillery (HD) in the Mass. National Guard.

This officer received his appointment from the Governor of his State, and has qualified for his Federal recognition by passing the thorough mental, professional and physical examinations required by law.

Lt. Reynolds, who lives at 140 Scituate st., Arlington, enlisted as a private in the National Guard in 1926; was promoted corporal in 1927 and sergeant in 1928. He received a commission as 2nd Lieutenant in 1930. He is rated as an expert rifleman. In civil life he is a salesman with the Garlock Packing Company.

A Lawrence Richards of 53 Moulton rd., is a guest of the Hotel McAlpin in New York City where he is attending a convention.

Taxpayers' Association Stirs Public

The response of the townspeople to the invitation to join the Arlington Taxpayers' Association, is gratifying to the Board Directors.

Urged on by the comments of the people, the Committee on Investigations has re-doubled its efforts to the end that expenditures of the town shall be reduced.

With the benefit of public records of the town, and such unofficial information as can be gleaned from authoritative sources, indications seem to point to a much higher tax rate for the coming year unless drastic efforts are made to keep expenses down to a minimum. The state appropriations indicate a much higher levy on the town which will be reflected in the tax rate, also heavy expenditures in the Welfare Department and for W P A work will add to the rate. Although the Taxpayers' Association to date have not been given the department budget requests for the coming year, it is generally understood that these requests are much higher than last year, in most departments.

The Taxpayers' Association, through its Executive Secretary and Investigating Committee have looked into the matter of increased budgets as far as they are able, and if their reports are true, most of the departments have asked more money this year than they did in 1935. Indeed, one department, the Association understands has raised its request approximately \$100,000. Unless such increase is so necessary that it cannot be reduced or revised, the Taxpayers' Association feel that it should not be allowed. The investigations will continue.

Randall

(Continued from page 1)

Since his return to Arlington in 1933, he has become affiliated with the local Chamber of Commerce and Rotary Club. In Winchester, where he resides at the present time, he is a director of the Co-operative Bank and has served as a member of the Town finance committee. His many local friends will echo the opinion of the Edison Company management that Randall is the ideal choice for the new position.

In the near future he will conduct an open house day at the local Edison shop, featuring practical demonstration of electrical cooking and the many other home electric necessities on display. The local staff will be augmented by members of the Company's domestic science staff and the all-day program will include a number of attractive features of special appeal to the women of Arlington.

The new manager extends a cordial invitation to all customers of the company to visit the Edison Shop and inspect the modern new facilities. Mr Randall's telephone connection at the same location is ARL 5403.

METROPOLITAN THEATRE

Paramount Picture's latest and most ambitious musical film "Anything Goes," adapted from the record-breaking stage musical, with Bing Crosby, Ethel Merman and Charlie Ruggles in the stellar roles coupled with the brilliant musical revue "Hit Parade of '36," complete and intact with its original cast headed by Nina Olive, are the principal film and footlight features of the Metropolitan Theatre's fifth Jubilee program for the week beginning Friday, January 24th.

"Anything Goes," famous Broadway musical which critics hailed as being probably the greatest modern musical ever presented, has been faithfully adapted to the screen with the entire score of Cole Porter musical hits. The cast features Bing Crosby in the male lead, singing the best songs in the best film of his career. Behind the footlights Manager Ed Smith continues his new series of Jubilee stage attractions with the "Hit Parade of '36," a complete musical comedy production boasting a splendid cast of screen, stage and radio personalities. The revue with its 10 "big acts," 14 lavish scenes, colorful costumes, startling illusions and production innovations, is said to be on a par with New York's finest musical hits.

St. John's Guild To Meet Jan. 27th

The next meeting of St. John's Guild will be on Jan. 27 at 2:30 in the Parish House. This will be the first meeting with the new officers headed by Mrs. Russell Hamlet as president. After a business meeting Mrs. Charles E. Jackson of Wellesley will speak on the United Thank Offering by the women of the Church. Tea will be served with Mrs. Geo. Wheatley, chairman of tea committee in charge.

On Jan. 31, at 8 p. m. the evening group headed by Miss Florence Irwin is holding a "Sandwich Demonstration Party." This is to be especially interesting to those ladies who belong to Bridge and other clubs. After the talk, coffee will be furnished with the sandwiches prepared, and a social hour enjoyed.

SAFE DRIVERS' CLUB FORMING

To Reduce Highway Deaths

"NOT-OVER-50 CLUB"

Insignia Sent to You Free

Before your eyes a beautiful, flawless ribbon of concrete—engine running sweet, brakes good, tires new, frame good and tight—now's the time to try 'er out. So you give her the gun, 55—58—62—65—67—and C-R-R-R-ASH!

It couldn't happen to you but it DID!

That's why Lumbermen's Mutual Casualty Company started the "NOT OVER 50 CLUB"—originated the NOT OVER 50 RED ARROW for speedometers, as a constant reminder never to speed over 50 miles an hour.

Hundreds Joining "NOT-OVER-50 CLUB" Daily

The new "NOT OVER 50 CLUB" is Lumbermen's contribution to the movement to reduce highway manslaughter. Hundreds of public-spirited auto drivers, the unselfish, considerate drivers, have applied for copies of the "NOT OVER 50 CLUB" creed, so that they might sign it and do their part to reduce the shocking toll of pain and suffering. 64% of auto accident fatalities occur on rural roads!

The driver who keeps under 50 will automatically throttle down at crossings and when entering towns to a speed that will make a fatal accident less likely. The NOT OVER 50 RED ARROW warns every member of

the family—whoever is driving and whenever he is driving—not to speed. Public opinion is aroused against the automobile speeder. This is your opportunity to express your disapproval of foolish speeding—to do your part to reduce highway manslaughter.

Send for FREE Arrow TODAY

Fill in this coupon now! Mail it today. Red arrows for your speedometer or dashboard (to remind you not to drive over 50 miles an hour), copy of the Club's Creed and membership card will be sent to you free of charge.

FIRST BAPTIST CHURCH

Grady D. Feagau, B.R.E., A.M., Walter Howe, Mus. B., A.A.G.O., organist and director.
On Friday, January 24th, at 7:45 p. m. will occur the fourth in the series of talks on "Great Christian Pathfinders." This time the leader will be Rev. Frank Swaffield, pastor of the First Baptist church of Brockton, and former pastor of the West Somerville Baptist church. Mr. Swaffield will speak on "Robert Tyndale." Here is one of the most fascinating and colorful lives to be found in all the history of Biblical transmission.
On Sunday morning at the 10:30 hour the pastor will preach on the subject "When Zion Travels." He will deal with the hidden sources of spiritual vitality and effectiveness. Are you dissatisfied with the state of your spiritual life? Would you like to become a superabundant Christian? There will be thought in this sermon for you.

7:30 p. m. Evening Prayer and sermon "A Needed Vision."

CHURCHES OF CHRIST, SCIENTIST

"Truth is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, Jan. 25.
The Golden Text is: "O Lord, thou art my God; I will exalt thee. I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth" (Isaiah 25:1).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks, be made for all men; . . . for this is good and acceptable in the sight of God our Saviour; who will have all men to be saved, and to come unto the knowledge of the truth" (1 Timothy 2:1, 2, 4).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "The thunder of Sinai and the Sermon on the Mount are ages, rebuking in their course all error and proclaiming the kingdom of heaven on earth. Truth is revealed. It needs only to be practiced" (p. 174).

Casson "The Pageant of American Beauty" which was postponed from last Sunday evening will be given Sunday evening, February 2, at 7:30, in the First Unitarian church. This lecture is being sponsored jointly by the Unitarian, Universalist, and Orthodox Congregational Churches of Arlington.

MRS. MARY E. CAREY

Mrs. Mary E. Carey, mother of Mrs. R. L. Thomas of 370 Gray St., passed away at the home of her daughter with whom she had made her home since the death of her husband three years ago. Mrs. Carey is survived by her daughter, Mrs. Thomas; two sons, Thomas W. of Indianapolis, George E. of Malden, ten grandchildren and two great grandchildren. Mrs. Carey was 79 years of age on Monday, the day before her death.

Funeral services were held at the Chapel of J. E. Henderson Co., Everett, last Friday. Mrs. Carey was for many years a resident of Everett.

The services were conducted by the Rev. Austin T. Kempton, pastor of the Broadway Baptist church of Cambridge. The soloist was Mabelle L. Street of Boston.

"ID RATHER HAVE A BUICK BUT"

What do you mean, BUT!

WHAT keeps you from driving a Buick—not next year—but now—today?

Is it the money?

Time payments on a Buick are but two or three dollars a week more than on the lowest-priced cars—less than that, when you figure the "extras" a smaller car usually calls for.

Is it the upkeep?

Buick is a big comfortable car that gives small-car gas mileage, small-car mileage on oil. You'll keep a Buick at least a year longer than you'll keep a lesser car—and probably spend less on it for service and repair in the meantime!

Could it be habit?

Maybe you get used to buying in the low-priced field—you get the idea a big car costs too much to run—you resign yourself to small-car comfort, ability, performance—and plain human nature keeps you from inquiring further!

Maybe a Buick is a bit beyond your reach. But let's not admit it until we've got the actual figures!

We'll gamble our time against yours to show you just what a Buick will cost—to buy—to run—to keep in good condition. We've surprised many a small-car owner with our thrifty figures, thrilled them with a demonstration.

Let us show you our arithmetic—and what a Buick can do out on the road.

It won't cost a penny—and it may make you a lot happier—with a Buick!

IT COSTS LESS NOW TO BUY ON TIME!

The new GMAC 6% TIME PAYMENT PLAN not only makes it easier to figure the cost of buying on time, but saves money that you can use to get a better car. For example, a Buick Special business coupe listed at the factory (safety glass included, standard and special accessories extra) at only \$765*

KEITH MEMORIAL

New and unrivaled thrills in song, dance, laughter and drama are brought to the screen in "King of Burlesque," the Fox picture coming to the Keith Memorial theatre today. "King of Burlesque" turns the world of entertainment, Warner

Baxter heads the gala cast of this picture, which includes Alice Faye, Jack Oakie, Arline Judge, Mona Barrie, Gregory Ratoff, Dixie Dunbar, Kenny Baker, Fats Waller and Nick Long, Jr. among the featured personalities.

With his two trusted aides, Alice Faye and Jack Oakie, Baxter has climbed from side street honky-tonks to Broadway's glittering palaces. Then when he falls in love with a lovely society woman who represents everything he had hoped to attain, he desires his erstwhile friends.

Sidney Lanfield directed the picture, which features a cluster of brand new tunes including "Shogun," "Rhythm Around," "I'm Shootin' High," "Lovely Lady," "Too Good to Be True"

terling palaces. Then when he falls in love with a lovely society woman who represents everything he had hoped to attain, he desires his erstwhile friends.

Many Wellesley Alumnae from in and around Boston are planning to attend the dinner dance tomorrow night at the Continental Hotel in Cambridge. The dance, which is to be held from eight o'clock until midnight, is for the benefit of the Wellesley College Students' Aid Society.

Mr. and Mrs. Gage Bailey of Hingham will have with them at their table Mr. and Mrs. F. Carlton Nickerson of Cambridge, Mr. and Mrs. Winslow H. Adams of Boston, and Miss Virginia Wellington of Pleasant St. and escort.

V. F. W. NOTES

Commander Maurice Geary of the local V.F.W. at last Tuesday's meeting of the post announced plans for the annual membership drive. A discussion followed and William H. Dunn, junior vice commander, was appointed chairman of the drive committee. Members will be enlisted during the period, February 1 to March 31 inclusive in co-ordination with the national and state drives.

The Membership is limited to American veterans of overseas service. The V.F.W. was founded in a spirit of comradeship for veterans who have seen service on foreign soil or in hostile waters.

Commander Geary in an appeal to all those eligible to join, says: "Join the V.F.W. and provide protection for your family in an emergency. The V.F.W. is and has conducted a courageous battle in behalf of the so-called bonus. The V.F.W. is dedicated to the welfare understanding and service to ordinary men of extraordinary service. It sponsors an eight-point program dedicated to veteran welfare. American neutrality and World Peace."

"The organization conducts a permanent program for veterans' care, child welfare and Americanism. It honors the dead while helping the living. It is the largest overseas veterans' organization in the United States. It perpetuates the common bond among men who fought America's wars. It is the only veterans' organization maintaining a national home for war orphans and widows. It is non-partisan, non-sectarian and takes no part in labor disputes. It maintains a national service bureau at Washington and is prepared and eager to help active and former service men. It conducts an annual Buddy Poppy Sale for the benefit of disabled veterans."

Anyone eligible should contact any member of the local post who will submit the application to the membership committee immediately.

To Resume Parties

The V.F.W. will resume its beano parties on Saturday evening, Feb. 1 at the post headquarters, 365 Mass. ave when beautiful prizes will again be awarded winners of this popular game. The parties are being conducted by the veterans themselves and all proceeds go to charity work of the organization.

Whist and Bridge

The auxiliary will conduct a whist and bridge party at the post quarters on February 7. This will be public and will take place of the regular business meeting.

Herb Cook Is High Scorer As Local Track Team Loses By Rollins

Duplicating his victories of last year, Robin Hartmann of Brookline led his teammates to a 45-3-5 to 31-2-5 victory over the Arlington High School track team here last Friday. Hartmann won the hurdles race, the high jump and ran a leg on the winning relay team.

High scorer for the greatly improved Arlington team was Herb Cook who tallied eight points. Cook pressed Cronin closely through the thrilling 1000-yd run and trailed him across the finish line by only five yards. He later romped to victory in the 600 yd run. Daniels, Thompson, Partlow, and Horne won second places for A. H. S. in the hurdles, 300 yd run, high jump, and shot put respectively, while Driscoll won the broad jump with a 9 foot 1 inch leap. Leonard Francis and Driscoll also figured in scoring points by placing third in other events.

Spice Remarks

Arlington runners entered in the Northeastern Interscholastic Track meet at the Boston Garden Saturday afternoon will probably be: Paul Cronin, 1000 yd run; Herb Cook, 600 yd run; Simmons and Lempe, dashes; and a relay team picked from Daniels, Lempe, Fontaine, Partlow, and Presteljohn.

A large delegation of Arlington track fans will be present at the K. of C. track games in the Boston Garden Saturday night featuring Olympic, National, sectional and college track stars. Glen Cunningham will be the favorite in the Curley mile with a host of strong challengers threatening throughout. Arlington's Tom McFarland, the NEAAU 45 metre hurdles monarch will be a favorite in the hurdles event. Milton Sandler of New York is expected to win the 600 yd feature event while "Chuck" Horne should easily be first in the 1000. Don Lash, Harold Manning, and Pal Kanaly will battle for the honors in the 2-mile run. Relay teams from the foremost colleges in the East have been matched with particular care. William Kenney who has been in charge of the entries should certainly be commended for the fine group of competitors he has secured for the 15th set of track and field games sponsored by the Knights of Columbus of Boston.

Arlington Dentists

Object To Unfair Advertising

A group of Arlington dentists have called attention to a so-called racket of dentists, who singly or in a group, advertise through the press or the radio, the giving away of something pertaining to dentistry for nothing, such as free mouth examination, free X-Rays, and other services at half price. These local dentists claim that because of the depression it is quite natural that some uninformed people would easily fall for this so-called "racket," whereas if they stop to think, they would realize that they get just what they pay for.

The News has been asked to warn the public regarding dentists that advertise free services as usually if the work done by them is unsatisfactory, there is no come-back.

The average Arlington Dentist carries protective insurance for his own protection as well as that of the public so that they may be patronized with the assurance that satisfactory service will be given.

Stoneham Tops Local High, 2-1

By BOB FOREST

Stoneham High took undisputed lead in the Greater Boston Hockey League last Saturday afternoon when they beat Arlington High 2 to 1 at the Boston Garden.

Cliff Thompson and Don Orr spelled defeat for Arlington High with their brilliant playing. Roger Keefe started for Arlington High with his powerful shots and hard skating. His teammate Bob Mee also contributed much to the game.

The game itself was the top-notch for the afternoon, and for the third time in a row Arlington High has been the leading team of the afternoon.

Bob O'Reilly and Red Preston both scored goals which were disallowed. One was legally wrong as the man picked up the puck offside. But the other had a great question mark with it, and nobody knows why the referee did call it the way he did.

Chipman picked up a rebound off the goalies' pads that tied the score in the third period but Orr from Thompson scored the winning tally in the same period with about three minutes to play. Arlington's weakness in failing to cover in front of the net cost them both the goals.

The summary: STONEHAM — Orr, McDonald, McAleeb, Hurley, Thompson, Gray, c; Downes, Hartley, W. McKinnon, rd; Erano, ld; Truesdale, g. ARLINGTON — Preston, Keefe, W. Chipman, Flores, c; Owen, Mee, W. Lane, Mee, ld; O'Reilly, rd; Dutton, g.

Score, Stoneham 2, Arlington 1. Goals — Third period, Orr (Downes), 1:15; Chipman, 4:00; Orr (Thompson), 3:52. Penalty — Erano. Referee, Hughes and F. Mahoney. Time, three 12m periods.

Local Housewives Warned of Permanent Wave Offer As Racket

Our attention has been called to a new racket that is being practiced by some Boston beauty parlors.

These so-called beauty parlors send their representatives into the suburbs of Boston and offer the housewife a chance on a permanent wave at a cost of 50 cents, claiming that only ten others will be involved in this drawing.

Usually most of these women are again called upon by the same representative and told that they are the winners of a permanent wave, whereupon the woman goes to this beauty parlor and while there is enticed to accept other treatments such as shampoo, oil treatment and various other services rendered at these beauty shops. If she refuses to accept the incidental services suggested, she is usually refused the permanent wave and is put into the embarrassing position of either having to accept these additional services or losing her original investment.

This racket has been practiced quite extensively in other sections of the country as is indicated by the following excerpt:

of the January issue of the Reader's Digest.

Permanent Waves

"The Housewife who has not yet been summoned to her front door and offered a free permanent wave certificate for 50 cents is almost certain to have that experience soon. The permanent-wave wave started in New York in 1932 spread to Pittsburgh, Philadelphia, Providence, St. Louis, Dallas, Cincinnati and Louisville, reached epidemic proportions in Chicago, and broke out in Toledo just a few months ago. When the purchaser presents her certificate at the designated beauty shop and asks for her wave, she finds there is an additional charge of \$2 to \$3 for 'incidental' shampoo, oil treatment, whatnot without which the wave will not be given. She can't even get her 50 cents back—that has been kept by the door-to-door man. Once in that beauty shop and ready for her wave she probably will pay the racket, get the wave, and get out, which is just what the racket figured.

According to one commentator, this racket has 'made more money and more women mad'—and incidentally wrecked the business of more beauty shops—than any beauty racket of recent years. The free-wave certificate 'plan' is sold on 'high pressure basis' by a national 'syndicate' to local beauty shops as sales stimulants. Local proprietors have found to their sorrow that it's only a customer-infatuator."

ARLINGTON WOMAN'S CLUB

Over seven hundred members and guests of the Arlington Woman's Club gathered in Robbins Memorial Town Hall, Thursday evening, Jan. 16, to enjoy one of the largest and most interesting as well as entertaining guest nights of the club.

Mrs. Robert B. Parmenter, the President, in her very gracious manner presided, welcoming the members and guests and particularly the Selectmen and their wives, the special guests of the Club, and expressing appreciation for their co-operation in helping to carry out the plans of the Club. Also calling attention to the effect the women's vote had in all town affairs and asking that all exercise this privilege and use it intelligently not only in town affairs but affairs of the state and Nation.

The guest of honor was Mrs. John H. Kimball, First Vice President of the M. S. F. W. C., a very popular Club woman and close friend of the president, Mrs. Parmenter. Mrs. Kimball spoke of three things in particular the Federation would work for in the future: First, Peace; second, Care of the Aged; third, Provision for taking care of our youth when through school or college.

"Tropics Trails in New Mexico" was the subject of Alton Hall Blackington's new Southwestern illustrated lecture. Mr. Blackington returned to Arlington at the request of many and they were not disappointed as the lecture was not only full of thrills and experiences few are privileged to enjoy but the photographs were unusual. Mr. Blackington told of most interesting visits to cliff dwellings of the Indians. The lecture was very instructive. A reception was held in the Selectmen's room after the lecture, giving all an opportunity to meet the President, Mrs. Robert B. Parmenter; the Guest of Honor, Mrs. John H. Kimball; The Lecturer, Mr. Alton Hall Blackington; The First Vice President of the Club, Mrs. John O. Mathews; Mrs. Thomas P. Pitre, Second Vice President; Secretary, Miss Caroline D. Higgins; Corresponding Secretary, Mrs. Stanley Cook, and Treasurer, Mrs. Arthur W. Sampson.

(Continued from Page 1)

secretary, or its superintendent have been approached by you or any member of your organization in regard to this matter. I ask you, "Is this cooperation in accordance with the objects of the association?"

I am obliged under the circumstances to deny the truth of every statement, either in whole or in part, of the communication to the Arlington News.

Let me take up each statement as it appears in the article.

(A) Direct quotation: "At a town meeting not so long ago a sale of horses was authorized. Some were sold and some are on neighboring farms."

(Fact). The town sold three

horses and retained five best horses. One of the five has since died. The four remaining horses are stabled in one location within the town and are available at all times for service. When not required for town service the town allows the keeper full use of the horses, in consideration for their board and keep which are furnished without charge to the town. No horses are on neighboring farms.

(B). Direct quotation: "With the coming of winter some 27 equines were imported from outside towns and placed in Arlington barns."

(Fact). Fourteen horses owned by Mr. Malone of Brighton are in the town stables. Your further statement that they "revel in plenty of grain, hay and care which amply satisfies their 'Horse Sense'" is good news to us, from a Be Kind to Dumb Animals

standpoint, for all the grain, hay and care is furnished by their owner, Mr. Malone.

(C). Direct quotation: "Investigation according to the Taxpayers' association show that the town seems to be obligated for a dollar a day rent per horse or over \$800 per month, and the expenses of feeding and caring for the horses. While feed and care can only be estimated, consensus of opinion is that the rent will total \$1500 per month."

(Fact). The cost of rental of 27 horses and the keep of 4 horses owned by the town amounts to \$31.37 per horse, per month or a total of \$972.75.

(D). Direct quotation: "It is rumored low that the owners of other animals with 'Horse Sense' want to get in on the idea and board their horses and get paid for it."

(Suggestion). Rumors need

not be answered, but we would suggest that they better forget the idea, for it is not a fact, so far as the Town of Arlington is concerned.

General remarks following in the articles regarding the idea of "Preparedness" for storms that "may, might, could or should come" indicate a short memory on the part of the writer regarding the conditions prevailing just a year ago. Most of us can remember that the criticism at that time might have been "Lack of Preparedness" for the worst storm for a generation or more. At the time this letter is being written, every horse available is out in the snow doing his bit. Every piece of equipment for snow removal is at work and on account of strain and accident, equipment from out of town has been obtained where possible. It remains to be seen whether we

have sufficient equipment for satisfactory service under the extreme load of this present blizzard.

Now, here is the story which you might have obtained, if you had made inquiry of the Board of Public Works, instead of listening to rumors.

Following usual custom in the early fall, the superintendent made a canvass of available horses for snow removal work. He found that there were only 21 privately owned horses in the town of Arlington. In previous years horses have been rented where ever they could be obtained. Horses have been rented in Belmont, Medford, Lexington and from farmers in remote sections of Arlington, where the long distance from their routes proved a serious detriment to the service. In the necessity for long hauls of the plow before they could enter

CHAPPED HANDSUse **CHANDLER'S CAMPHOLINE**

Not Sticky - Not Greasy

CHANDLER'S CAMPHOLINE quickly relieves the itching of CHAPPED HANDS, itching and burning, nothing is so discomforting than rough skin that is itching and sore. CHANDLER'S CAMPHOLINE spread on irritated parts will quickly relieve any soreness or pain. CHANDLER'S CAMPHOLINE has been on sale at all leading department and drug stores for 57 years. For 57 years people have caused undue embarrassment and pain from chapped hands. That is no longer necessary when you can go in anywhere and buy CHANDLER'S CAMPHOLINE for only 25c. It's more than just a soothing lotion.

CHANDLER'S CAMPHOLINE
SINCE 1878

upon their work. Inasmuch as we could not reasonably expect to have all horse owners in Arlington volunteer the services of their horses for snow work, it was immediately evident that we must set a large number of horses from some source out of town.

To cover all requirements and to have complete information, we sent out invitations to several horse owners and contractors to bids to rent horses to us for this work upon the basis of 20 horses or such number as we might find necessary after obtaining all possible within our own town. Bids for 30 horses varied from \$4500 to \$6000 for the four month season.

We succeeded in obtaining only 13 horses from local owners. We owned 4 horses. We needed 31 horses to cover 30 routes. Therefore we contracted with the lowest bidder, Mr. Malone for the rental of 14 horses for the period up to the end of the fiscal year, upon the basis of rental only, he to feed, keep and care for the horses. Inasmuch as we wanted to have these horses immediately available and close at hand when needed, we rendered the use of idle stalls at the Town stables to Mr. Malone where he keeps and feeds and cares for the horses in anticipation of our calls at any or all times.

This number of horses we consider sufficient assurance for acceptable service when required, and the absolute minimum for the routes as laid out. We make no apologies for this preparedness. The Town wants the work done promptly and it certainly stands to reason that we must arrange for the horses in advance.

Comparison of cost for horse rental in surrounding towns was made by us before taking final action. We found that the plan which we had in hand called for 25 per cent less than the amount paid by the City of Medford in 1934-25 per cent less than Brookline, 30 per cent less than Winchester, and 20 per cent less than the City of Newton.

Now it appears to us that the query regarding "Horse Sense" might properly be directed to the Arlington Taxpayers' association and to those who pay for the services of an Executive Secretary who does not take the first step called for in the Articles of Incorporation calling for "Cooperation with Town Officials."

Had the Taxpayers' Association been interested in getting Facts instead of Publicity, they would have better served the members and the great body of unorganized Taxpayers who are heartily sick of unintelligent criticism.

Respectfully yours,

Town of Arlington Board of Public Works.

By Loren W. Marsh, Member

Kelleher Out For School Committee

Edward M. Kelleher of 87 Montway rd. has announced his candidacy for school committee and his nomination papers are receiving a fine endorsement everywhere. Mr. Kelleher is one of the best known men in school circles throughout the state as he is deeply interested in school sports and holds many positions in official associations representing various branches of school athletics.

He is president of the National Basketball Officials Association and for many years has been an official in basketball, baseball and other branches of school sport. As a referee he has also been conspicuous in college sport and is constantly in demand in athletic events in the universities.

During the World War Mr. Kelleher served in the United States Marines, was wounded and for distinguished service in action was decorated by both the United States and the French governments. He is married and has four children, two in the Arlington schools. He is a member of the Elks, American Legion and the Arlington Taxpayers' Association. His friends believe he is especially well qualified for school committee work. Mr. Kelleher himself says that he has only one slogan and that is "Better Schools."

HONOR ORGANIST

A memorial service for William E. Wood of Arlington, who for 50 years served the church as organist, without compensation, was held Sunday morning in the First Baptist church, Arlington. The service was conducted by the pastor, the Rev. Grady D. Feagan, and was featured with the playing of Handel's Largo on the violin by Mr. Wood's grandson, Leonard Wood, of Arlington.

DOWNES TO COACH ALL-STAR TEAM AGAINST CUBS AT MELROSE CARNIVAL

Coached by Charlie Downes, Arlington High's popular hockey mentor and head of the Greater Boston All-Scholastic league, an all-star team picked from Greater Boston high schools will play the Bruins Saturday afternoon as the day's feature event of the two-day winter carnival being held in Melrose. The game will start at 2 o'clock.

Arlington High will be represented on the ice by Bob O'Reilly and Bob Mee. The game will be held on the Mount Hood hockey rink and promises to provide plenty of thrills.

Several thousand people are expected to attend the Carnival to be held at Mount Hood when there will be activities to interest all from 10 o'clock Saturday morning until late Sunday afternoon.

The National Association of the Amateur Athletic Union has agreed to sanction the hockey game which is to be played at the Mount Hood Recreation Park, Melrose, Massachusetts, Saturday afternoon, January 25, at approximately three o'clock.

Coach Charlie Downes of Arlington High will handle the Inter-scholastic team and also has selected the two players from each of the school teams to form the aggregation. The elections follow:

1. Arlington High, Mee and O'Reilly.
2. Cambridge Latin High, Chaisson and Kramer.

3. Rindge Technical High, DeRosier and Mahoney.
4. Medford High, Kenty and Meoli.

5. Belmont High, Fitzgerald and Hartwell.
6. Stoneham High, Thompson and MacKinnon.

7. Newton High, Daniels and McLeod.
8. Melrose High, Priestly and Shaw.

These selections will enable Coach Downes to send out three fast offensive lines, two defensive players and three goalies. The lines have been arranged as follows:

Thompson, center; Mee, right wing; Chaisson, left wing; Priestly, left defense; Kenty, right defense; Fitzgerald, goalie. McLeod, center; Shaw, right wing; Daniels, left wing; Mahoney, center; DeRosier, right wing; Hartwell, left wing; O'Reilly, spare defense; MacKinnon, right defense; Kramer, spare goalie; Meoli, spare goalie.

CARNIVAL KING AND QUEEN TO BE CHOSEN SATURDAY
Some young lady will be chosen as the carnival queen at the carnival ball to be held at the high school gymnasium next Saturday evening and some young man will be the carnival king at the carnival. This will be a colorful affair and is to be informal. The dance is being conducted by a committee of high school pupils of which Marie Manzer is chairman.

The guests of honor at the carnival dance are:

Mayor and Mrs. Robert A. Perkins, Mr. and Mrs. Edward J. Wall, Dr. and Mrs. Ralph D. Leonard, Mr. Charles H. Adams, Mr. and Mrs. Chester B. Allen, Mrs. Maude M. Johnson, Mrs. Margaret H. Lang, Mr. and Mrs. Benjamin L. Wentworth, Dr. and Mrs. Warren L. Adams, Mr. Geoffrey Felt, Mr. and Mrs. Herman H. Stuart, Mr. and Mrs. William D. Sprague, Mr. and Mrs. Howard B. Wilder.

Upon this group will fall the task of selecting the Carnival King and Queen.

Several Arlington people are planning to attend the winter meeting of the Bay State Historical League at Tufts College tomorrow. The Medford Historical Society and the Royall House association are hosts.

Hallisey Dance Recital January 27

The pupils of the Laura A. Hallisey Dance Studios are rehearsing daily for their mid-year dance concert, "Follies of 1936," which will be presented Monday evening, January 27 at the Junior High East Auditorium in Arlington.

MISS LAURA HALLISEY
Head of Dance School

ton. With so many new and enthusiastic pupils, Miss Hallisey has been obliged by popular demand to present this type show, the first of its kind for many seasons.

Starring such well-known juveniles as Norma Gallorani, Harold Burbridge, Jean Brogan, Phyllis Hayes, Bob Dolan and Virginia Herganson, the revue is to be presented as Miniature Follies with a chorus of twelve smiling young ladies opening the show with a musical comedy song-and-dance. Stealing some of the hit tunes from the latest musical pictures, Shirley Kimbach does "On a Sunday Afternoon" with an assisting chorus. "Double Trouble" is in store for Phyllis Hayes with a low-down strut and a few of Eleanor Powell's ideas.

Jean Brogan boasts "I'm a Little Bit Independent" in her own inimitable manner. Who other than that clever toe-tapper, Miss Norma Gallorani, who astounds her audience and holds them spell-bound by her charm, could be "A Little Bit Independent." Among the other notables will be Eleanor Ann Johnson, Patricia Ann Zarela, Lorraine Martin, Grace and Claire McCall, Lois Cibley, Eleanor Repetto, Jean O'Neill, Rita McGrath, Janet Pillsbury, Doris and Barbara Beasley, and Elsie Thalheimer.

Miss Hallisey will accompany every pupil at the piano and will be assisted back stage by several of the mothers in charge. Mrs. Laura Hallisey is designing every costume for the show, bringing out the latest in New York ideas. Miss Hallisey having gone to New York last weekend purposely for costume materials. With such elaborate preparation the pupils are looking forward to an unusually different type children's dance recital.

Large trucks of all descriptions were brought into play in connection with the removal of snow the first part of this week on Massachusetts ave. The large crew of men employed in removing the snow, assisted by snow-loaders, made quick work of filling the trucks which removed the snow to Summer st. Not only was the snow in the street quickly removed but the snow piled up on the sidewalks was taken care of to the satisfaction of the merchants along the avenue.

A TRAVELING DOLLAR

A dollar travels in the direction it is spent. If you spend it out of town it is gone forever! A dollar spent in our town circulates in our community — in and out of the bank, to pay local labor, to pay local bills and eventually right back to you.

Isn't it better economy to keep our money where it belongs — right here at home?

PROMINENT CITIZENS URGE SUPPORT OF BALL

Citizens of Arlington:

No doubt you have read in the Arlington papers, for the past three weeks, about the Birthday Ball which is to be held in Arlington on January 30th. Many other towns and cities will be having their Birthday Ball on the same evening. The purpose of these parties is to raise as much money as possible to fight the terrible disease "Infantile Paralysis." Seventy percent of the proceeds will be kept in the community in which the money is raised.

Because this affair is in itself of an immense humanitarian character, we are all anxious to make it a great success, hoping that a permanent Infantile Paralysis Fund can be started and kept alive from year to year. It is no one person's work, but the work of every citizen in this town, to make it possible to establish the fund with a huge sum. Be assured

that this Birthday Ball is Non-Political, and Non-Sectarian. It has a wonderful purpose to make it possible in our community to provide treatment for the unfortunate who have been stricken with Infantile Paralysis, and to aid in research work to combat and overcome this dreaded disease.

Everybody who can buy a ticket or tickets do so, and come to the Ball. Come with a spirit of enjoyment, so that our gaiety may be a symbol of returning happiness to the afflicted.

(Signed)

P. Joseph McManus, General Chairman
Rep. Hollis M. Gott
Rep. Nelson B. Crosby
Selectman George H. Lowe, Jr.
Mrs. Roger M. Homer
Mrs. Agnes Sullivan
Miss Rose A. Collins
Frank H. Lansing, Secretary.

Local Lines

Mr. and Mrs. Michael Terenzio, of 41 Bailey rd., will observe their 25th wedding anniversary at their home on Tuesday, Feb. 4.

Sherwood Eddy, noted author and lecturer is to speak at the Parish House of the Park Avenue Congregational church on the evening of February 12th, on the topic: "Capitalism and its Rivals."

Miss Gertrude Frame who recently returned from her vacation to Goddard Seminary Junior College, has been seriously ill in a private hospital with a severe

attack of grippe. She is now slowly recovering and hopes to return to her school in a few days.

Mr. and Mrs. James Wood of 35 Peter Tufts rd., recently announced the engagement of their daughter, Hilda Marguerite to Elmer Herbert Ziegler, son of Mr. and Mrs. P. A. Ziegler, of 40 Warren st. Miss Wood is a graduate of Lassile Junior College and Mr. Ziegler is attending Northeastern University.

Mr. and Mrs. Edwin Noyd, formerly of Arlington, are the proud parents of a son, born last Sunday at the New England hospital. They now live at 25 Bay State ave, Somerville.
